Deployed multi-crew teams to secure 54 doors and windows across a multifamily property in 72 hours. Full photo documentation delivered same day.

Emergency response Multi-crew Photo documented

DIFFERENTIATORS

- Sustainability execution, not just consulting.** We source, deliver, and manage recycled materials — hands-on, with government contract experience.
- Joint venture and mentor-protégé ready.** Structured for teaming with primes. Active partnerships with Metro Green Recycling, CheckSammy, and Martin Marietta.
- Only DBE in metro Atlanta** combining recycled aggregate supply with property services and waste diversion logistics under one contract vehicle.
- Fully insured, OSHA-compliant operations.** \$1M GL / \$2M aggregate. Bonding capacity available upon request.
