FULTON COUNTY

GOVERNMENT-

Department of Public
Works

Recycled Gravel & Aggregate Supply

Contract/PO Number: PO 25RFQ1360842A-ST

Value: \$231,200

Period: Mar 2025 – Mar 2026

Role: Prime Contractor with Teaming Partners (Metro Green Recycling, Martin Marietta)

Scope of Work

Rare Earth Ltd., as Prime Contractor, was responsible for the sourcing, processing, and timely delivery of recycled gravel and aggregate materials to Fulton County's Department of Public Works. In collaboration with Metro Green Recycling and Martin Marietta, the team ensured all materials met GDOT specifications, contributing to infrastructure upgrades and sustainable construction initiatives.

Key Accomplishments

- Delivered 3,600+ tons
- 100% on-time
- GDOT Compliance

Customer Impact

Supported Fulton County's sustainability and circular economy goals by integrating recycled aggregates into infrastructure.
